ELLE NGUYEN, et al.,

Plaintiffs,

v.

BANK OF AMERICA, N.A.,

Defendant.

Case No. 23-cv-04999-PCP

**ORDER GRANTING IN PART PLAINTIFFS' MOTION TO MODIFY**

Re: Dkt. No. 96

After missing the November 2, 2026, deadline to file their motions for attorneys' fees and costs, service awards, and final approval, plaintiffs filed an unopposed motion to modify the Court's order granting preliminary approval of the class action settlement. *See* Dkt. Nos. 95, 96. The Court has considered plaintiffs' motion and finds good cause to modify the schedule set forth in the order. The Court sets forth the following schedule:

- **November 13, 2026**: Deadline for plaintiffs' motions for attorneys' fees and costs, class representative service awards, and final approval
- **January 7, 2027**: Last day for settlement class members to submit objections to the settlement on any basis, to submit requests for exclusion, and/or to submit adjustment forms to the settlement administrator
- **January 7, 2027**: Deadline for any response or opposition to plaintiffs' motions for attorneys' fees and costs, class representative service awards, and final approval
- **January 11, 2027**: Deadline for plaintiffs and the settlement administrator to file their declaration regarding the status of notice
- **January 14, 2027**: Deadline for any reply in support of plaintiffs' motions for attorneys' fees and costs, class representative service awards, and final approval

- **January 28, 2027**: Hearing on plaintiffs' motion for final approval of settlement

The January 7, 2027, deadline for objections to settlement applies to all objections of any kind. On the date this order is filed, plaintiffs shall provide their motion to modify the Court's order granting preliminary settlement approval to the settlement administrator to post on the settlement website promptly. Plaintiffs shall likewise provide their November 13, 2026, motions for final approval, attorneys' fees and costs, and service awards to the settlement administrator to post on the settlement website on the date those motions are filed. Upon entry of this order, the settlement administrator shall promptly post it on the settlement website so that settlement class members are advised of the modified deadlines.

All other provisions of the preliminary class action settlement approval order remain unchanged.

**IT IS SO ORDERED.**
